

Client Services

Lighthouse offers direct immigration legal services for a nominal fee to those living at or below 200 percent of the Federal Poverty Guidelines (FPG). Lighthouse believes that *everyone* is entitled to low-cost, high-quality immigration legal services. For this reason, there is a sliding fee scale for those living above 200 percent of the FPG. Clients must bring in proof of income or a letter from the Department of Health and Human Services showing they are receiving public benefits.

Walk-in Tuesdays

Clients can open a case with Lighthouse by coming in on a Tuesday between the hours of 9am and 6pm. The cost of the consultation is \$30.
